KU Natural History Museum Camps

Scholarship application 2017

The museum has limited scholarship funding. We ask that applicants pay half the fee. If this is not possible, please provide an explanation in the special circumstances section at the bottom right of the form.

This application should be completed by the child’s parent or guardian. Incomplete applications will not be considered.

Scholarship applications must be received by Monday, May 22nd.

1. Tell us about the need.
   • Is the child eligible to participate in the free or reduced-cost school lunch program?  Yes  No
   • Do you qualify for food, housing, or unemployment assistance from the government?  Yes  No
   If you answered “no” to both questions, describe other circumstances.

   ____________________________________________________________

3. Tell us how much you are requesting.
   Scholarship applicants are asked to pay half the cost, if possible.
   Fee total from the registration form (Step 3).
   __________
   Subtract the amount you’re paying now. We ask that you pay half or at least some portion. If you cannot, please complete the Special Circumstances Section.

   The difference is the amount you are requesting in scholarship funds.  =

Special circumstances.
If you are unable to pay anything towards the cost of the camp, please provide an explanation.

Signature
